Provide a challenging and responsive educational environment in a changing community that creates caring, socially responsible, and exemplary students.

Beardstown Late Start - 2 HOUR DELAY

Beardstown CUSD #15 will potentially run a late start schedule for all schools on severe weather days. The late start schedule provides flexibility to begin school two hours later than normal and allows time for roads to be cleared and temperatures to rise.

Please Note:

- **School and class will start at 10:00 a.m. Students will need to be in their classrooms by this time, ready to start the day.**
- **No Breakfast will be served at any building if a late start is utilized.**
- **Zero Hour classes and Driver's Education classes will NOT meet unless otherwise announced.**

This alternative eliminates a situation where severe weather in the early morning leads to a decision to close schools for the entire day when it is not warranted. On late start schedule days, buses will arrive at the scheduled pick-up points two hours later than their regularly scheduled time.

In the event a late start is utilized, class periods will be shortened to accommodate a shorter day but dismissal times will not change. The cafeterias will not serve breakfast on late start days but will continue to serve lunch as usual.

Certified teachers/staff/aides will report to work at 9:15 a.m. Non-certified staff will report to work at their usual time. The cafeteria staff will report to work at 7:00 a.m.

Grand Avenue - AM Classes will be canceled. PM classes will follow a normal schedule.
