The weather has been nicer this week. We have enjoyed going outside!

- We continue to use our voice books/communication books to ask for the snack we want to eat.
- We use our communication books to help us match colors and shapes. We also use them to tell the name of colors and shapes.
- We are labeling green and shamrock this week.
- We continue to work on matching the letters of our names. Some of us are working on writing our names.
- We will be designing and making our own t-shirts. We will be using paints and fabric markers.
- We are making rainbows. We are painting the colors in rainbow order.
