It's Almost the End

We have just one day of school left. The school year has gone very fast! Look and see what we have done this last week.

- We had Occupational Therapy on Monday. Katie set up an obstacle course for use where we had to crawl on step stools and then crawl through a tunnel.
- We had cookies to celebrate any summer birthdays.
- We did some activities outside for field day.
- We had SO much fun at water day!! Check the Grand Avenue Facebook page to see some of the fun we had.
- We had a chance to watch videos and movies on Friday.
